Leírás

Garden Trading Hungarian Settle Bench Small In Clay Our beautiful Hungarian small Settle Storage Bench is steeped with character, bearing its history with its rustic wooden structure and traditional design. Spoiled with Hungarian heritage, the provenance of our Hungarian Settle Bench can be seen throughout its design and presence. This charming bench would make a delightful statement piece in your, hallway, conservatory

or, at your kitchen table. Along with beautifully crafted shaping and un compromised style, it also boasts practical qualities; with ample storage under its hinged seat, perfect for hiding all manner of homely essentials, including blankets and cushions.

Carefully constructed from European Spruce, from fully sustainable and responsible sources, our Hungarian Settle Bench has been crafted to be hard wearing and robust, ensuring you'll be getting a long lasting and durable product that will sit perfectly in any living space. Finished in our naturally based Clay colour, you'll find our Hungarian Settle Bench fits seamlessly into any home, complementing or matching all decoration styles.

Colour: Clay Crafted from European Spruce Hinged Seat H93 x W111 x D46cm

Not Quite Perfect - Poor paint coverage especially to top of back support and sides - see images. These things do not effect the quality and appearance of the product and we are sure that you will be more than happy with your purchase! RRP £375
